Groom Party

Courtesies and Policies Contract

Guaranteed Reserved Time

A Wedding Reservation Form and signed Policies Contract are necessary to reserve Groom party services. In addition a \$50 deposit is required to hold the party date and time. This deposit can then be applied towards the party-day balance. Dates are not held or secured without the complete information. Belleza Bridal and Hair Salon receive requests daily and the Bridal Specialist will advise the date is available and respond with a confirmation once time is secured. Belleza works hard to make this a simple, easy experience for each and every Groom.

Deposits

Deposits are nonrefundable within 30 days of the scheduled party date. Any cancelled services or changes made within 30 days of the scheduled party date will result in forfeiting the \$50. This is due to The Barbershop being reserved in advance.

(Non-refundable after: _____) Initial: _____

All deposits are required to be made in one payment through PayPal for ease of billing. (Visit bellezabridalandhairsalon.com/bridal-hairsalon for a helpful PayPal video tutorial.) The full balance for the services requested and stated on The Groom Reservation Packet is due the day of the party inside of Belleza Salon. All deposit invoices will be issued via email, this is why email addresses are necessary. **The deposit will be held in the Groom's account and can be used towards his services on the day of the party. The deposit may not be split.**

Day-of Party

Groom Parties day-of services are scheduled out by the Belleza Bridal Specialist to assure everything runs smooth and on time. The time services need to be finished is a working-off point for timing. Due to the possibility of other parties and services being booked, timing may change a bit but Belleza will always have Groom Parties done by the time stated on the Reservation Form or earlier. If there are specific people that need to be finished early or at a certain times, please note this on the Reservation Form and we will make every effort to accommodate this. **Due to busy wedding weekends, Belleza may not have the ability to change timing, or add services if such requests are made after the Reservation Form, Contract, and Deposit are received but will make every effort to accommodate all requests.**

Initial: _____

Please be sure all party members arrive 10 minutes prior to the scheduled **party** start time. Due to providing services to multiple guests, anyone arriving after the scheduled time may not be able to receive their scheduled service unless there is additional time available.

All services are paid for at time of party in Belleza Salon with the Front Desk Support Team. Each member may pay separately or payments may be combined.
